

## ***Bicycle Project Highlights: On-Road***

### ***Wake County Raleigh: Edwards Mill Road Extension TIP Project U-2582***

The extension of Edwards Mill Road from Wade Avenue to Duraleigh Road was officially opened to traffic in November, 2002. The new four-lane, median divided roadway includes 4-ft-wide striped bike lanes and a 12-ft by 8-ft culvert crossing to accommodate the Reedy Creek Greenway.

Median-divided, limited access roadway with designated 4' bike lane and 5' sidewalks

12' by 8' box culvert underpass to accommodate multi-use trail under Edwards
